Subject: Decision on Manuscript ID CMS-842.R1

Body: Dear Dr. Liu,

It is a pleasure to accept your manuscript entitled "New Phase Space Formulations and Quantum Dynamics Approaches" in its current form for publication in WIREs Computational Molecular Science. I am attaching the reviewers' comments (if any) below for your perusal.

Please note that your manuscript will now undergo an integrity check for images. Publication will only proceed on the condition that all final files comply with the journal integrity checks. In the event that any file does not comply with our integrity checks, the journal reserves the right to rescind this decision, or, alternatively, you may be contacted to resolve any concerns raised by these checks.

Once your article goes into production, you will receive an email to register for Wiley Author Services (<https://authorservices.wiley.com>), where you can:

1. Track your manuscript through the production process to publication.
2. Sign the appropriate license agreement, with the option to purchase Open Access and check if your institution or funder will cover part or all of the cost. For more information on Open Access and PubMed Central, go to https://wires.onlinelibrary.wiley.com/hub/for_authors#OpenResearch.

PLEASE NOTE: Your article cannot be published until Wiley has received a signed license agreement.

This journal offers a number of license options, information about this is available here: <https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/index.html>. All co-authors are required to confirm that they have the necessary rights to grant in the submission, including in light of each co-author's funder policies. For example, if you or one of your co-authors received funding from a member of Coalition S, you may need to check which licenses you are able to sign.

3. Download a promotional toolkit to help increase the impact of your article.
4. Receive a unique sharing link to a read-only version of your article to share with an unlimited number of people for their non-commercial, personal use. We encourage you to promote your article on social media and follow our Twitter account (@WIREs_Reviews).

Optional Services:

- You are now eligible to register for the Wiley Author Discount, which you can use to shop for books on Wiley.com. Sign up at <http://www.wiley.com/go/authordiscount>.
- The Cover Images Team at Wiley will be reaching out to you shortly to see if you would like an original image from your article, or an alternative image related to the topic, to be considered for the issue cover and what the cost would be.
- A Video Short or Video Abstract can be a great way to turn your paper into an engaging and accessible overview that's perfect for sharing on websites and social media. Wiley

Editing Services now has a full suite of Article Promotion services, including professional video, design, and writing services to help you create video abstracts, infographics, conference posters, and research news stories. More information at <https://wileyeditingservices.com/en/article-promotion>.

Thank you for your fine contribution.

Sincerely,

Prof. Jinlong Yang
Editor, WIREs Computational Molecular Science
