Dear Dr. Liu,

Your manuscript has been successfully submitted online and is presently being given full consideration for publication in WIREs Computational Molecular Science.

Manuscript ID: CMS-842 (Please include in all future correspondence regarding this submission)

Manuscript Title: "New Phase Space Formulations and Quantum Dynamics Approaches"

CASRAI CRediT Taxonomy: Authors' contribution(s) to the manuscript are attributed as follows:

CRediT Taxonomy

I will first complete system and formatting checks and let you know if we need any additional information or files. Once I verify that all the information we need is present, I will notify the editor to begin evaluation and peer review. You can view the status of your manuscript at any time by checking your Author Center after logging into

<https://mc.manuscriptcentral.com/compmolsci>.

If you have not yet obtained permissions for any figures that are reused or adapted, please do so at this time via <http://www.copyright.com>. You can find more information at

https://wires.onlinelibrary.wiley.com/hub/for_authors#Resources under Figures. Email your completed forms to me, and keep copies of all correspondence for your records.

This journal offers a number of license options, information about this is available here:

<https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/index.html>. All co-authors are required to confirm that they have the necessary rights to grant in the submission, including in light of each co-author's funder policies. For example, if you or one of your co-authors received funding from a member of Coalition S, you may need to check which licenses you are able to sign.

Thank you for submitting your manuscript to WIREs Computational Molecular Science.

Regards,

Sumithra Elumalai
