Dear Dr. Liu,

I am writing in regard to CMS-842: "New Phase Space Formulations and Quantum Dynamics Approaches".

Our records indicate that we are expecting your revised manuscript in one week. Please remember to submit both a clean version of the Main Document and a version with Track Changes active (or changes marked in red for LaTeX) as Supplementary Material so that the editors can see how you have amended the document.

When you are ready, please point your browser to: \*\*\* PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. \*\*\*

Your UserID is currently jianliupku@pku.edu.cn. If you have forgotten your password, click Reset Password and enter the email address we have on file (jianliupku@pku.edu.cn).

I look forward to receiving your revision. We hope you, your family, and colleagues are all safe and healthy. We understand that you are still dealing with disruption and we are happy to accommodate your schedule. Please do let us know so that we can keep our systems updated. If you will not be able to submit your revision in the next week, please let me know as soon as possible. We can be flexible, but like to keep our systems updated for editorial planning purposes.

Regards,  
Sumithra Elumalai
