

# Yuhang Yao

## Curriculum Vitae

August 5, 2015

Peking University

Mobile: (+86)-135-2149-7247

yuhangyao@outlook.com

### Education

---

- **B.S.** Faculty of Chemical, Environmental and Biological Science and Technology, Dalian University of Technology 2011-2015

### Research Experience

---

- Research on “behavior of hydrogen bond in luminescent MOFs in the electronic excited state” in Dalian University of Technology
- B.S. thesis in Ce Hao group in Dalian University of Technology

### Research Interests

---

- Path Integral Molecule Dynamics
- Linearized Semiclassical Initial Value Representation

### Honors and Awards

---

- Learning Excellence Award ( Second Prize) (2013,2014)
- Technology Innovation Award (2014)
- National Encouragement Scholarship (2013,2014)
- Meritorious Winner, Interdisciplinary Contest In Modeling (2014)
